

## The Newsboys Account Of Their Thanksgiving Day

At the Bulletin newsboy Thanksgiving luau the boys were asked to write a story of the day and how they liked it. The result is the following interesting account by those of the young merchants who attempted the task of a newspaper story.

### THE BULLETIN NEWSBOYS' THANKSGIVING.

Thursday the newsboys got on the bus and they started at 9 o'clock. We went up to Thomas Square and turned up to Beretania street.

The boys all had a horn to blow.

They made a loud noise at very one they saw. We went up to the football grounds and went around a block.

We came around to the football grounds again. Then they went up to Mr. Farrington's house and Mr. Gear told us to "Yell who are, who are, who are we, we are the Bulletin newsboys, see."

We went over to Punahou street and went down to King street.

The bus stopped at a Chinese store and gave the horses a rest.

The bus went off to Waikiki and on the way down they stopped at a native house and got some palm leaves.

We decorated the horses and the bus.

The buses got down to Waikiki about 15 minutes of 11. We were given a bathing suit to bathe in.

The boys went in and had lots of fun.

When the canoe was put in about 10 boys got in. Two men went with them. When they came back they all got out.

Some more boys got in and one little boy sneaked in the canoe and got out, when the canoe began to come in it tipped over.

The little boy did not know how to swim and a native man caught him. His name is Mon Yin. When they got the canoe upright it was swamped. They had to get all of the water out.

When we went home the bus went about 2 o'clock. We went up to the football grounds again and watched the first game. We went up to the Punahou football grounds and the Star boys were up there and had a nice time. I went home at the end of the game.

DAVID TOWNSEND.

Honolulu, H. I., Dec. 1, 1899.

Dear Sir: We went up to Waikiki yesterday on the bus. We went out yesterday to see the football and went to Punahou to see another football game and we went to Mr. Farrington's place and gave a good cheer and after we went out to Waikiki an swim and ride canoe and after swimming we went to eat pig, fish, poi, soda water, ginger ale and cream soda.

JOHN SHAW.

Honolulu, H. I., Dec. 1, 1899.

We got on the bus at the Bulletin Office and rode around the baseball grounds. When we got out to Waikiki we rode on the canoe. The canoe sank at the bottom of the Ocean and we had a hardwork to take the canoe in.

When we came back we went to dinner and after dinner we went in bathing again. After bathing for awhile we went to the football. The football was a good game.

ALFRED JOHNSON.

Honolulu, H. I., Dec. 1, 1899.

Evening Bulletin, Gentlemen: For your kind treatment you gave me yesterday. I thank you very much.

The canoeing and bathing were the best you could give for too many boys were there.

The luau which was the principal feature of the day was excellent. The two games of football that I witnessed after leaving Long Branch interested me to the utmost. The one that I saw end was won by the St. Louis by a score of ten to five. I remain, your faithful servant,

B. PODEYN.

I had a fight with En Chee, and the man was all yellin' for him and I told Afar if he want to box and he wouldn't put on the gloves. All the bulletin boys have a hot time yesterday. M. Reize had a blow on the nose.

WILLIE SYLVA.

Yesterday we had a holiday.

We went to have a swim.

We went on the canoe yesterday.

The waves were rushing, and the canoe went fast.

When we finished we drank soda-water, ate fish, poi, sweet potatoes, ate pig and played.

We played boxing with a boy, and then played ball, went in and had a swim.

When we finished swimming we put on our clothes, and went in the bus and went home.

There were about sixty-five boys.

Then we all went to town and said,

"Hurrah! Hurrah!!"

We put some trees on the busses and some flowers on the horses' harness.

We went to the baseball ground and saw the football play.

When we finished looking we went to Punahou.

The canoe upset and the boy fell into the water and the boy cried.

AH FONG.

Dec. 1, 1899.

I am going to write you a story about Thanksgiving Day.

Yesterday we had good fun out to Waikiki. We went out with the bus.

The bus horses are very strong and fast. When we got out to Waikiki we got out of the bus and went to rest.

When we finished resting, we went to ask Mr. Kong Ling for tickets and went to swimming. We went to sit in the canoe boat, when we finished swimming we sat on canoe, we went to race.

When we finished racing, we went to look at the man cook the pig. When the man finished cooking the pig the man cut the pig into small pieces and put them in the plates. And when we began to eat our lunch. Then we eat plenty. After we had our lunch we went to swim and then we went to the baseball ground to see them play.

SIN CHONG.

The bulletin boys have a hot time yesterday. When the bulletin boys go on the bus all the boys made plenty noise, and then we went two time the baseball ground, from the baseball ground we go to Waikiki a swim. After swim all the boys eat luau Hawaiian style pig, poi, fish and soda water. After eat, all the boys go to swim again, after swimming all the boys go baseball ground. After while we meet the star boys blow horns and make plenty noise, from baseball ground all go to the Punahou school look the foot ball players. Never play foot ball yet. Bulletin and star play box. Stone hit the Star on the nose.

After foot ball all the boys go home. When we go home we meet the Star go home to. The Bulletin boys have more fun than the star boys. When the Bulletin boys home went, one time more to Fort street.

MON YIN.

The Bulletin News Boys have their nice time of riding the busses all around the town and blowing the fish horns of great joy.

After riding around town they went out to the Long Branch ground and have a nice time of swimming, sport and boxing.

When the Bulletin Boys had their fun it is time for their Luau, the Hawaiian style, pig, fishes, poi and other thing.

Not long they had their Luau they went to swim again, after the swimming was all through the busses come.

The Bulletin Boys come to see the football game.

It was a happy time for the Bulletin Boys when they coming home from the football, how great noise they must made with those fish horns.

When they come to town the Bulletin took a short riding all over the town.

They was full of joy and gave three cheers before they got home. Your affectionally,

The Evening Bulletin News Boy.

My Dear Friend: Yesterday I went to Waikiki. We had fine fun. We sat down in the bus. We have tickets to swim in and we went to walk. Ah Fong and Sin Chong boxed. We ate and going to swim again. We went in the bus again. And Mr. Conkling gave us a horn. We went to Punahou to look at the boys played football.

Then we went home in the bus. We called that day Thanksgiving day because God been kind to us. Bulletin boys had a best time. I had two bottle soda-water. We had two busses. We ate pig, poi, and fish, and potatoes, and salt, and soda-water. I went to Opera Tuesday night. Your truly,
